Introducing your new apartment

Barum Lodge is designed with you in mind. Your own apartment gives you privacy, when you want it, but a communal Owners' Lounge opens up a whole new social life with like-minded neighbours when you wish.

To give you more time to enjoy life, maintenance and upkeep of the development is taken care of for you. The safety and security features in your apartment, along with the running costs of the Lodge are covered by your service charge, so you can budget with confidence.

Beautifully landscaped grounds are all maintained for you and are ideal for enjoying a cup of tea with the neighbours, or your family and friends. What's more, there is a Lodge Manager on hand to ensure everything is running smoothly.

The heating system in your apartment features contemporary slim panel radiators equipped with an easy-to-use programmer and thermostat, allowing you to set the temperature for each room individually.

Shower rooms feature low-level shower trays and easy turn taps, while kitchens include a waist height oven and hob as standard. You'll find a walk-in wardrobe in the bedroom* and versatile space in the living room.

The electricity at this development is supplemented by photo voltaic (PV) solar panels. This helps to reduce electricity bills and ultimately reduces our carbon emissions to help the environment.

Safety and security is our number one priority

At Churchill we know the importance of feeling safe in your home.

We fit all of our apartments with a Careline system. In the event of an emergency, you have direct contact with either the Lodge Manager or a member of the call-centre team 24 hours a day, 365 days a year.

The system can also be used for calls to keep in touch with your neighbours, and even provides video door entry, allowing you to view any visitors before you choose to let them into the main entrance.

An intruder alarm is fitted to the front door of your apartment, while ground floor apartments have additional sensors fitted, alongside fire and smoke detectors in communal areas and within your apartment so you really can enjoy a safe and secure lifestyle with Churchill.

Your apartment will always be safe and secure providing you with complete peace of mind.

Award winning property management

SERVICE YOU CAN TRUST

All Churchill Living developments are looked after by Churchill Estates Management, our own property management company. The Lodge Manager takes care of the day-to-day running of the development. They can answer any queries and help keep an eye on your apartment if you go away. Many of our Owners see their Lodge Manager as a friendly neighbour they can call upon, and someone who is there to offer a helping hand, should they need it.

A TRANSPARENT APPROACH

We are completely open and transparent when it comes to costs, with no hidden charges, so you don't have to worry about unexpected bills. Our Sales team will be able to give you a breakdown of specific charges, so that you can see exactly how much everything costs and when it is payable.

At Churchill, we do not charge Event or Exit Fees if you decide to sell or sublet your apartment. Unlike many other retirement housing providers, we don't add these extra costs - giving you peace of mind and one less thing to worry about.

The Lodge Manager organises social events to create a welcoming community but the choice to join in is yours!

With over 90%[†] of Customers saying they would recommend us to a family member or friend (*Home Builders Federation (HBF) Customer Satisfaction Survey*) it's no wonder we are seeing more happy Owners enjoy their freedom to do more of what they love to do.
