Introducing our exclusive cottages

This exclusive collection of 3 two-bedroom, individually designed cottages offers an ideal alternative for those seeking to downsize whilst maintaining a higher level of independence and flexibility for the future.

As a Cottage Owner, you have the option to be part of the main Lodge community should you wish, via a small club membership fee. This provides the opportunity, now or in the future, to enjoy social activities and events, but this is totally optional.

Each cottage benefits from dedicated parking and a private garden, ideal if you have a pet, enjoy outdoor space or simply value privacy. The garden includes a practical shed suitable for storing garden tools, bicycles or patio furniture. Cottages are sold freehold and benefit from a straightforward management arrangement, which includes services such as window cleaning, communal garden maintenance and a 24-hour Careline support system, offering peace of mind when thinking ahead.

Every cottage is energy efficient and thoughtfully designed, featuring a spacious living room with triple glazed windows throughout. Kitchens are finished with colour-coordinated worktops and units and include an integrated fridge freezer, electric waist-height single oven and ceramic hob, combining style with practicality.

The living and dining area provides a welcoming space to relax, entertain family and friends, and opens directly onto the private garden. The accommodation has been carefully planned to remain flexible and adaptable, supporting both modern living and future requirements.

The main bedroom benefits from a walk-in wardrobe and an en-suite bathroom, complemented by a separate bathroom.

All cottages come with a three-year warranty for added reassurance, in addition to a ten-year New Homes Warranty, ensuring lasting peace of mind in your retirement years.
