INTRODUCING YOUR NEW APARTMENT

Highbury Lodge is designed with you in mind. Your own apartment gives you privacy, when you want it, but a communal Owners' Lounge opens up a whole new social life with like-minded neighbours when you wish.

To give you more time to enjoy life, maintenance and upkeep of the development is taken care of for you. The safety and security features in your apartment, along with the running costs of the Lodge are covered by your service charge, so you can budget with confidence.

Beautifully landscaped grounds are all maintained for you and are ideal for enjoying a cup of tea with the neighbours, or your family and friends. What's more, there is a Lodge Manager on hand to ensure everything is running smoothly.

The heating system in your apartment consists of contemporary electric panel radiators. The slim panel radiators include an easy to use programmer and thermostat so that you can set each room differently.

Shower rooms feature low-level shower trays and easy turn taps, while kitchens include a waist height oven and hob as standard. You'll find a walk-in wardrobe in the bedroom* and open space in the living room.

The electricity at this development is supplemented by photo voltaic (PV) solar panels. This helps to reduce electricity bills and ultimately reduces our carbon emissions to help the environment.

“

From the Lodge Manager, to friendly neighbours, life at Churchill is more than just an apartment.

FEEL SAFE & SECURE

SIMPLY SIT BACK, RELAX AND ENJOY YOUR LIFESTYLE

We take the time to consider the little details; the ones that often make the biggest difference.

We fit all of our apartments with a careline support system. This is connected to a 24-hour support service, so in the event of an emergency, you have direct contact with either the Lodge Manager, or a member of the call-centre team, 24 hours a day, 365 days a year.

The system can be used for calls to keep in touch with your neighbours, and it also provides video door entry, allowing you to view any visitors on a display screen before you choose to let them into the main entrance. An intruder alarm is fitted protecting the front door of your apartment, while ground floor apartments have additional sensors fitted, giving you that extra peace of mind. Fire and smoke detectors are fitted in communal areas and within your apartment, so you feel really safe and secure.

The welcoming Owners' Lounge is home to a variety of events, from cheese and wine evenings to keep fit classes, and is a popular spot for a catch up with your neighbours and friends, or for settling in a quiet corner to enjoy a good book.

Each Lodge has a Guest Suite which Owners can book for friends and family who wish to stay overnight, meaning no worries about making up the spare room. Owners can also book the Guest Suites in any other Churchill development throughout the UK.

AWARD WINNING PROPERTY MANAGEMENT

SERVICE YOU CAN TRUST

All Churchill Living developments are looked after by Churchill Estates Management, our own property management company. The Lodge Manager takes care of the day-to-day running of the development. They can answer any queries and help keep an eye on your apartment if you go away. Many of our Owners see their Lodge Manager as a friendly neighbour they can call upon, and someone who is there to offer a helping hand, should they need it.

A TRANSPARENT APPROACH

We are completely open and transparent when it comes to costs, with no hidden charges, so you don't have to worry about unexpected bills. Our Sales team will be able to give you a breakdown of specific charges, so that you can see exactly how much everything costs and when it is payable.

“
The community is so warm and welcoming, it's like one big family. The Lodge Manager is wonderful, so kind and helpful and organises lots of great activities and social events at the Lodge.
”

Some properties may have a ground rent, specific details of which will be provided by your Sales Executive.

If you sell or sublet your property 1% of the gross sale price or 1% of the open market value if subletting is payable by way of contribution to the Contingency Fund, which is held on behalf of Owners towards longer term repair and replacement costs.

ENHANCE YOUR LIFESTYLE WITH CHURCHILL
