INTRODUCING YOUR NEW APARTMENT

Langton Lodge is designed with you in mind. Your own front door gives you independence and privacy, when you want it, but a communal Owners' Lounge opens up a whole new social life with like-minded neighbours when you wish.

To ensure you have the time to enjoy your new lifestyle maintenance and upkeep of the development is taken care of for you. The safety and security features in your apartment, along with the running costs of the Lodge are covered by your service charge, so you can budget with confidence.

The heating system in your apartment consists of contemporary electric panel radiators. The slim panel radiators include an easy to use programmer and thermostat so that you can set each room differently.

Shower rooms feature low-level shower trays and easy turn taps, while kitchens include a waist height oven, hob and washer dryer as standard. You'll find a walk-in wardrobe in the bedroom and open space in the living room.

Beautifully landscaped grounds are all maintained for you and are ideal for enjoying a cup of tea with the neighbours, or your family and friends. What's more, there is a Lodge Manager on hand to ensure everything is running smoothly.

The development is heated via a communal ground source heat pump system, which harnesses the ambient energy within the underlying ground and converts it in a very efficient way. These systems are able to produce more energy than they consume and provide lower running costs of heating and hot water.

“

From the Lodge Manager, to friendly neighbours, life at Churchill is more than just a retirement apartment.

FEEL SAFE & SECURE

SIMPLY SIT BACK, RELAX AND ENJOY YOUR RETIREMENT

We take the time to consider the little details; the ones that often make the biggest difference.

We fit all of our apartments with a careline support system. This is connected to a 24-hour support service, so in the event of an emergency, you have direct contact with either the Lodge Manager, or a member of the call-centre team, 24 hours a day, 365 days a year.

The system provides video door entry with a standard TV, allowing you to view any visitors on your TV before you choose to let them into the main entrance. An intruder alarm is fitted protecting the front door of your apartment, while ground floor apartments have additional sensors fitted, giving you that extra peace of mind. Fire and smoke detectors are fitted in communal areas and within your apartment, so you feel really safe and secure.

The welcoming Owners' Lounge is home to a variety of events, and is a popular spot for a catch up with your neighbours and friends, or for settling in a quiet corner to enjoy a good book. We have a programme of events which include an array of social activities. From cheese and wine evenings to keep fit classes, there is something for everyone.

Each Lodge has a Guest Suite which Owners can book for friends and family who wish to stay overnight, meaning no worries about making up the spare room.

AWARD WINNING PROPERTY MANAGEMENT

SERVICE YOU CAN TRUST

A TRANSPARENT APPROACH

We are completely transparent when it comes to costs with no hidden charges, so you don't have to worry about unexpected bills. Our Sales team will be able to give you a breakdown of specific charges, so that you can see exactly how much everything costs and when it is payable.

Your service charge includes the services of the Lodge Manager, the 24-hour on-call assistance system

“
The community is so warm and welcoming, it's like one big family. The Lodge Manager is wonderful, so kind and helpful and organises lots of great activities and social events at the Lodge.

”

and the maintenance, heating, lighting and upkeep of communal areas such as the Owners' Lounge, Gardens and Guest Suite.

Some properties may have a ground rent, specific details of which will be provided by your Sales Executive.

When you come to sell your apartment 2% of the gross sale price achieved is payable as a Community Event Fee, half of

this goes to a Contingency Fund which is held in a fund on behalf of all Owners at the Lodge to help with future repair and replacement costs, the other half is payable to Churchill Retirement Living to help fund the communal areas which are a key feature of retirement communities.
